

Dear Company representative,

We wish to invite your Company to participate in the **3rd International Conference - Geosciences and Environment (3ICGE)** to be held 27-29 May 2012 Belgrade, Serbia. Beginning from 2009, **Association of Geophysicists and Environmentalists of Serbia (AGES)** started to organize international and regional Conferences related to Geosciences. Each year, the Conference is organized in different city in order to more widely promote Environmental- and Geosciences in community, among professionals, public bodies, NGOs, public and private companies employees, but with special attention to our future colleagues, students, high school and elementary school pupils.

The 1st international event was organized in 2009 in Belgrade, Serbia and it was the 5th Congress of *Balkan Geophysical Society*, with Side Event, *CO₂ Geological storage*, in Mecavnik (SE Serbia) that gathered 200 professionals and 50 students from the Balkan region, Europe, USA and Middle East. The 2nd event was organized in 2010 in Divcibare Mountain (Central Serbia) gathering 100 professionals and 30 students from the region. The 3rd Conference (the 2nd international event) was held in 2011 in Zlatibor mountain (SE Serbia), gathering 120 professionals from Balkan region and Europe, as well as 30 students and 50 pupils from local elementary schools.

The **3rd International Conference - Geosciences and Environment**, that will be held in **Continental Hotel Belgrade, 27-29 May 2012**, is continuation of activities related to promotion of Geosciences at international level. The Conference includes paper presentations (oral/poster), short courses, workshops, networking events, social events and Technical exhibition. We are expecting 250 international and domestic attendees, but for the first time we expect great number (200-250) of international students that will attend the **3rd International Geosciences Student Conference, held 29-31 May 2012**, at the same venue place. **Also very important is that exhibitors at Professional Conference have 50% discount for the booth at Student Conference.**

We take the pleasure of inviting your company to this event and kindly ask you to evaluate the possibility of supporting our Conference, by choosing one of the financing packages from the *Sponsorship opportunities*. We would like to kindly inform you that financial services will be provided by the AGES financial department.

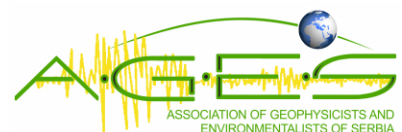

We look forward to your attendance at the **3rd International Conference - Geosciences and Environment!**

Sincerely yours,

Snežana Komatina-Petrović

Dr Snežana Komatina-Petrović

Conference President
